Interpersonal

I am hardworking and high motivated with an ability to work under pressure, ability to work independently and in a team. Creative, responsible, capable and analytical with organization & management, high sociable interpersonal ability

Design experience

Full re-branding 2023

I designed a full-rebranding including advertising designs for an event hall. During the project I performed branding tasks that suited the client's specific requirements and needs.

Design of adv products 2023

graphic design service to advertise the businesses (beauty businesses) posters, price lists, certificates which helped the company reach more customers

Employment history

School assistant 2022

I worked as an assistant to children with mental difficulty. I focused on handling emotionally sensitive situations with empathy, understanding children's pain, and preventing escalation.

Military service

Human resources 2019-2021

I enlisted as a human resources NCO in the parachuting and flying unit. In my job I acted as the right hand of the human resources officer, providing service to soldiers and officers working independently and in a team. In my role I acted with many responsibilities.

Education

John Bryce 2022-2023

graphic design studies for print and digital, web/mobile design & Ux/UI.
